

## 061109 STUFF We Love

by **Stuff Boston** | June 11, 2009

Since **Finale** (One Columbus Avenue, Boston, 617.423.3184; 1306 Beacon Street, Brookline, 617.232.3233; 30 Dunster Street, Cambridge, 617.441.9797) opened its doors over a decade ago, its scrumptious desserts have led more than a few dieters to fall off the wagon. But calorie-counters and chocoholics alike can rejoice at Finale's newest dessert option: **miniatures**. These bite-sized portions of chocolate mousse and tiny tarts will satisfy your sugar craving without inducing a case of diner's remorse. And at only \$1.35 apiece, you can minimize the damage done to your waistline *and* your wallet. The tasty treats are also available by the dozen for \$15. We promise no one at work will complain if you fill the office fridge with these — as long as you promise to share.
